

**FROM CAROL'S
CORNER
APRIL 2011**

*April showers bring
May flowers.....*

Hello again! What a lovely time of year. We have nearly made it through the winter! That last blast was a bit much, but we survived it and the end is in sight!

It is so nice being able to make a movie title selection well in advance and put it in the newsletter. If ever you have a movie suggestion, please feel free to contact me.

We have 3 exciting events this month: NOAA tour and lunch April 6, Moran Iron Works Tour and lunch April 20, and of course OUT OF AFRICA movie on April 13. More and more of you are returning from the warmer climates, so event numbers are increasing. It is nice to have you back.

What a fall line up we have! We will be going out to the base to see dogs in training again, tailgate party for the UofM vs MI State game and Saginaw and Birch Run shopping. I am also working on The AuSable River boat cruise to take in our beautiful Michigan colors.

So let's all get our gardening tools and gloves ready....set....go!! Well, perhaps we should wait just a bit, but at least we can "get ready".

'Til next time.....

Carol

THURSDAY
JUNE 23, 2011
Tour and sack lunch
\$6.00 per person

Everyone should wear long pants and NO open toed shoes are permitted. It will be a "windshield" tour. We are limited with how many we can bring, so if you are interested, call right away and get your name on the list.

SPRING CLEAN UP

Use the equity in your home to consolidate those pesky bills, buy a new car, or start those over-due home improvement projects. At First Federal of Northern Michigan we have a wide variety of loan products to meet your needs. Call our Mortgage Officer today and she would be eager to assist you in the loan process.

Call Cassie at 354-7323

THURSDAY JULY 7, 2011
PANEL PROCESSING INC.
