

**FROM CAROL'S  
CORNER  
AUGUST 2011**

**HAPPY SUMMER !!**

It is so nice to be able to say that! It was a slow start, but now that we are full swing into summer it is wonderful! I hope all of you enjoyed your 4th of July!

As you read this issue, you will see that I have added a few events for fall. On **Sep 28** we will meet for a tour of the DPI facility right here in Alpena. (Decorative Panels International) There will be a lot of walking, and no sandals please.

Please take note that I added an event late this month, **Aug 27**, to the Williamsburg Dinner Theatre. This sure looks like a fun evening with great food and great entertainment.

**Oct 8** we are again doing a color tour on the AuSable River Queen. We will stop at a local restaurant for a late lunch after the trip.

**Dec 7** we will be wow-ed by the musical group of New Odyssey at Zehnder's for a holiday lunch. We did this last year and it was so much fun, definitely worth repeating!

Lastly you will notice I have picked the 19th Hole again for our UM vs MSU tailgate party on **Oct 22**. That was so much fun last year so join us if you can. Of course game time to be announced the week of the game. I will call you with that time, but you can sign up any time.

I am putting together something fabulous for **Sep 14 - 20, 2012**. So save those dates and look forward to an adventure!

'Til next time.....

*Carol*
