

FROM CAROL'S CORNER MARCH 2011

Spring is just around the corner, right? In a perfect world anyway – and the calendar has marked March 20 as the first day of spring so it MUST be true!

I feel we have such a great “CALENDAR OF EVENTS” for 2011. Based on the response I am getting from you, I am on the right track!

Please note that I have added an event for April 20th. We will have a tour of the Moran Iron Works and a sack lunch. I will be adding the AuSable River Queen color tour for the fall. Another event to watch for is the LaFarge Quarry tour. As soon as I can firm these up I will put them in the newsletter.

Don't forget Sunday March 13 to change your clocks – spring forward! This is yet another sure sign that spring is on the way!

For the Holland Tulip Festival on May 10 & 11, we have reserved a large Coastal tour bus to take us in style! Plenty of leg room and plenty of room to invite lots of family and friends! The more the merrier. Deadline to sign up and pay is March 30, 2011 so call me as soon as you read this!

'Til next time.....
