HAPPY FALL EVERYONE!

Here we are at my very favorite time of year again! It is amazing how quickly time rolls on by. Too quickly!

We have had a busy summer, taking in lots of fun things. I would have to say my personal favorite was the Lady Michigan glass bottom boat tour. Of course I did not know what to expect, and was completely entertained. The weather could not have been nicer. I feel quite certain that is was enjoyed by all!

Sep 15 is Stoney Acres Winery Tour and sack lunch. **Sep 21** is the movie **FRIED GREEN TOMATOES**, and **Sep 28** we will visit DPI for a tour.

Oct 8 we have the color tour on the AuSable River Queen. Then **Oct 12** we can watch those police dogs in training at the Alpena Combat Readiness Training Center, and we will also enjoy a buffet lunch. **Oct 22** we can cheer on our favorite college team U of M or Michigan State with a tailgate party. **Oct 29** we can get ourselves into the holiday spirit with some shopping! I hope you have called with your reservation for an event that is of interest to you.

'Til next time.....

Carol
